

SAFETY AND RELIABILITY SOCIETY LONDON BRANCH

"Beyond Swiss Cheese & Dominoes: STAMP"

Wednesday, 28th June 2017

**Simon Whiteley – Whiteley Aerospace
Safety Engineering & Management**

followed by a Q&A with the speaker

This event will provide a brief introduction to *Systems Theoretic Accident Model & Processes (STAMP)* and how STAMP provides significant advantages over and above other more traditional approaches to Safety Assessment & Management.

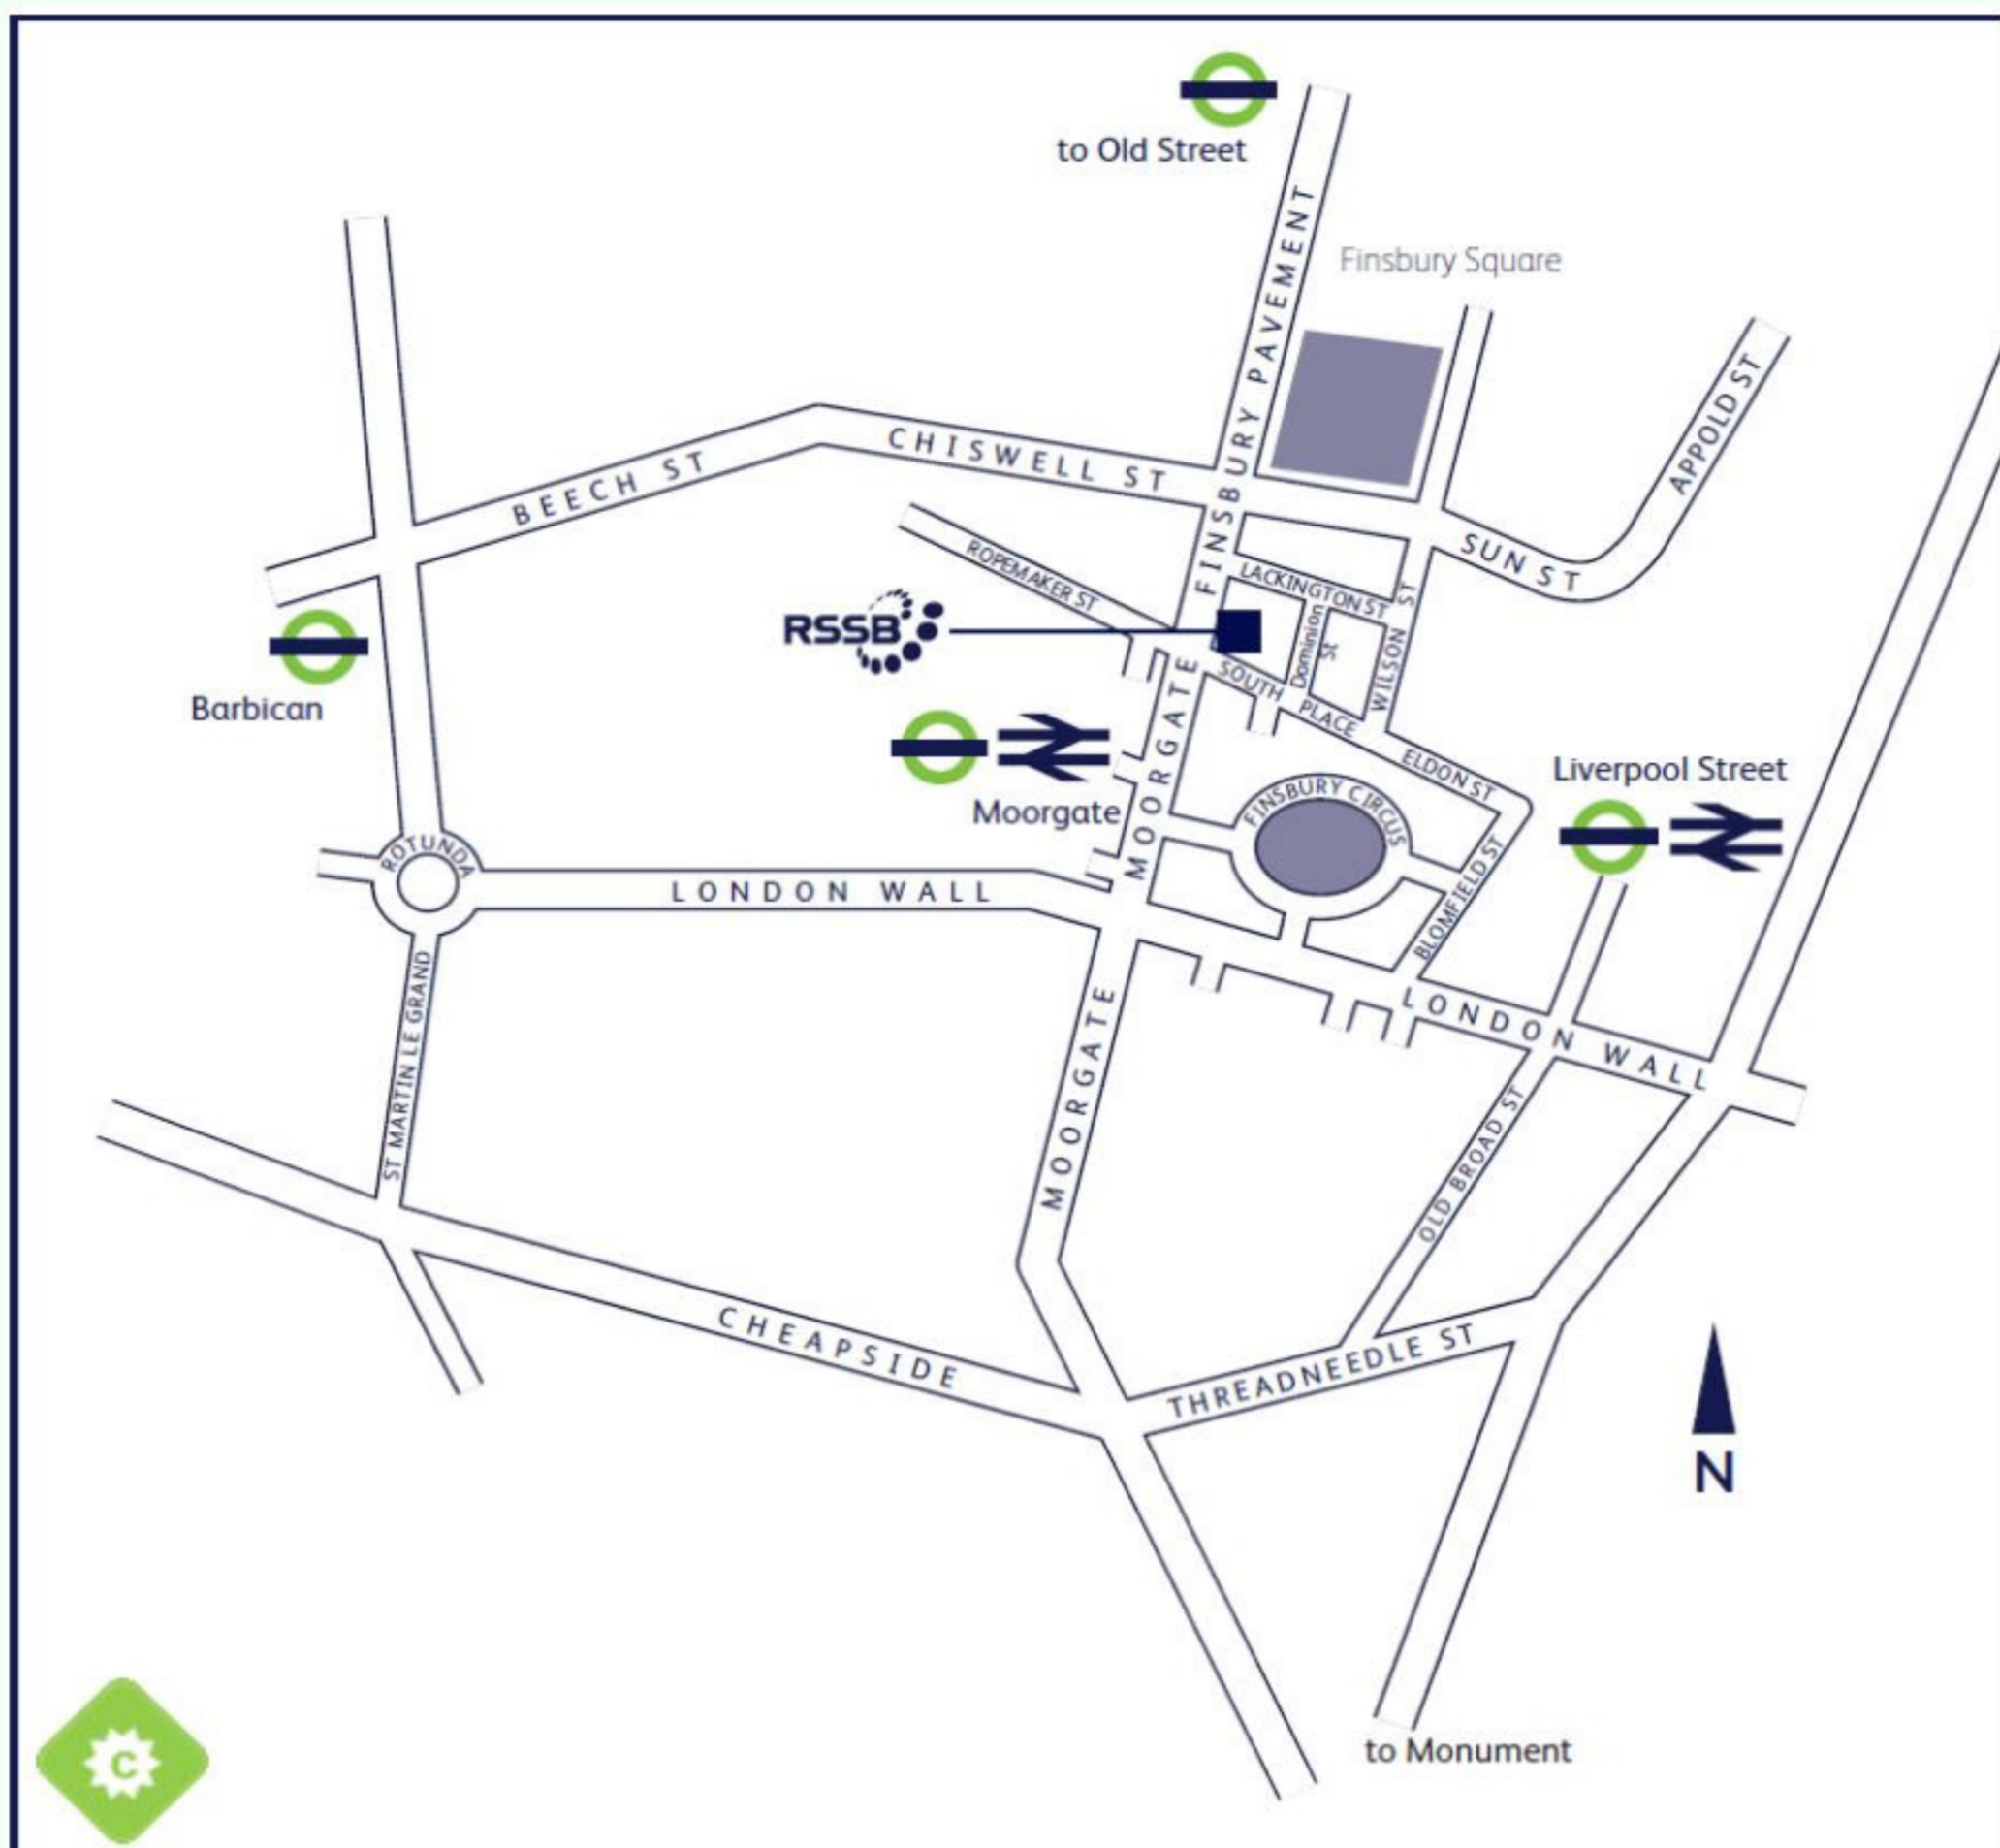

The event will briefly talk about the foundations of STAMP, including Systems & Control Theory, followed by a brief overview of the STPA Hazard Analysis & CAST Accident Analysis methods. Topics including Software Safety, Data Safety and Human Factors will be touched upon. Examples discussed will cover different sectors / domains, including: Air Traffic Control, Healthcare IT and Rail.

Submit Questions in advance here: <https://www.surveymonkey.co.uk/r/170628>

The meeting will begin at 1730, for a 1800 start and will finish 1930.
Meetings are open to all, you do not need to be a member of SaRS to attend.
